Happy Father's Day and Flag Day Auxiliary Ladies,

I know none of you are Fathers but treat my greeting as a reminder for your husbands, Fathers and other males in your lives.

I am pleased to report we are still number 2 in State membership; that should give us good seats at the State Convention in July.

Speaking about the Convention, I am unable to attend this year. With a heavy heart I must inform you that I am experiencing some serious medical problems and under doctor's orders I have been put on Hospice. I am more than ready to meet my maker but want you all to give our new District President, Chrys Porter, your full support, as you did for me. Chrys is fighting her own medical problems, so keep us both in your prayers.

I hope many of you are planning on attending President Laurel's testimonial dinner this Saturday. This is the time we say thank you for the many years of dedication and service that our State Presidents must put in! I plan on saying good bye to many good friends.

Remember that Rice Lake will be hosting a 2017 ALA in the Know Conference in October. I have already received some topics that Units want covered. Officer training and Americanism were two of the requested topics. I will make sure Teresa Isensee is aware of these choices.

CHAPLAIN'S CORNER.....MARY TOWNSEND

Merciful God,

Your kindness toward us is never ending. And we are thankful for ever good and perfect gift.

We ask Your divine blessing on those who were affected by the recent storms. Mend their brokenness, restore their faith in You and grant them peace. Let us have compassion on those who have endured loss and help to meet their needs.

Bless the American Legion Family and the Active Duty Military.

God bless America! Amen God,

For God and Country,

Karen K Hansen
